

**NOTICE-AND-ACCESS NOTIFICATION TO SHAREHOLDERS

The Canadian securities administrators (“**CSA**”) have adopted rules which permit the use of notice-and-access procedures (“**N&A**”) for delivery of proxy solicitation materials instead of the traditional physical delivery and mailing of the Notice of Shareholder Meeting and Management Information Circular (the “**Circular**”). N&A procedures allow the Company to post meeting related materials, including the Notice of Annual General and Special Meeting, the Circular, the form of proxy or voting instruction form (“**VIF**”) and , as well as any other documents respecting the Meeting (collectively, the “**Meeting Materials**”) on a website separate from, and in addition to, the Company’s SEDAR+ profile. Instead of mailing the Meeting Materials, only this Notice-and-Access Notification, with information on how shareholders may access the Meeting Materials via the internet, together with the form of proxy or VIF and a financial statement request card (together the “**Notice Package**”), is mailed to all shareholders of the Company. Under N&A, Meeting Materials will be available for viewing for up to 1 year from the date of posting, and a paper copy of the Circular can be requested at any time during this period. The Company is not using stratification in connection with the Meeting.

Myriad has elected to utilize notice-and-access and provide you with the following information:
